

The Washingtonville Housing Alliance, based in Mamaroneck, NY, was recently awarded a \$2,200 grant by The United Way of Westchester and Putnam to support WHA's Housing Crisis Fund.

Executive Director Jeremy Ingpen said "the Housing Crisis Fund provides one-time emergency housing financial assistance for Mamaroneck area residents facing economic hardship or loss of housing due to fire, flood, illness, job loss or family breakdown. In any given month we see two to three new clients and make an average of two grants to help households in dire economic straits and at risk of eviction.

At this time of widespread job losses and foreclosures the Housing Crisis Fund is of vital importance to the Mamaroneck community and United Way's support will help us maintain a healthy fund balance".

For more information please call the Washingtonville Housing Alliance 914-698-4299 or visit our office at 136 Library Lane, Mamaroneck, NY 10543.
